*May Your Holy Spirit inspire us to pray, to give, to love, to serve, and to proclaim the gospel, that the name of Jesus Christ might be glorified around the world.*

*Wake us up Lord! Remind us to live aware, to redeem the time, listen to Your words, and be willing to make a difference in this land. Give us courage to speak out. Help us not to stay silent but to do all things through Your wisdom and love.*

Inspired by Mark 4:35-41 Paraphrased from Laura Kueh, LCSW

Father – As we walk with You in faith, continue to guide us. Please forgive us when we fear the storm while we are in the boat with You. When You said "Let **US** go over to the other side", You were telling us You would be with us through our storms.

The trials and struggles in our lives have a way of making us desperate. Desperate for the relief. We want You to take it all away. We want You, Jesus, to calm the storm. But sometimes, like those disciples in that wave-battered boat, we miss the comfort that was right there with us all along.

During these storms, we have a tendency to shout out in anger or wallow in perceived feelings of abandonment. Please keep us from forgetting what the disciples forgot. That You ARE in our boats. You are the maker of Heaven and earth. We just need to curl up next to You, Jesus, cling to You and ride out the storm.  
**AMEN!!!!!!**
