

C'Note

Congratulations! You have just received a C'Note. No, it's not a \$100 bill, but it is 100 times more enduring. In honor of C'Rae Van, a woman who knew how to send love notes and encouraging words – you are receiving this because you are loved!

To send your own C'Note, please visit

It is the wish of the friends and family who knew her,

to continue

her legacy of love.

(1 Corinthians 13:7)

God bless you.

We challenge you to bless others as you have been blessed by sending 100 C'Notes this year. Brighten someone's day with a few words of encouragement or even an entire letter and see how these blessings grow and multiply.
